Support to the club

We need help from all members in order to maintain the quality and scope of our numerous activities. You need not be an expert to lend support. Assisting with organizing or leading an event is a fun way to gain knowledge that will benefit both you and your Golden. While we certainly need volunteers to Chair each activity, we also need help at each with Registration, Stewarding/Marshalling, Food, Facilities, Equipment, as well as paperwork/computer & telephone tasks. Your significant contribution to (not just attending) two events or activities meets one of your eligibility requirements of your membership.

I/We will assist WGRC with the following:
